

Weatherford welcomes new distribution center

Posted: Saturday, February 7, 2015 8:33 pm

The City of Weatherford Economic Development Department, EDGE Realty Partners and KEG1 O'Neal, LLC will host the Weatherford Corporate Center Broker Mixer and Business Park Tour on Thursday.

The event will begin at 4:30 p.m. to celebrate the opening of the new KEG1 O'Neal Distribution Center and to view the Weatherford Corporate Center Business Park, located at 213 Patriot Dr. and W. BB Fielder Road. The event concludes at 6 p.m.

The city council and Economic Development Board welcome the new KEG1 O'Neal regional beverage distribution center and corporate offices as the newest corporate and community citizen to Weatherford and Parker County. The new Weatherford center opened in December 2014 with nearly 80,000 square feet of warehousing and offices on 10 acres. The new center includes a main shipping and receiving/storage warehouse, 13,000 square feet of corporate offices and a 4,000-plus truck-fleet maintenance shop. The site includes space for a future warehouse expansion and employs over 100. KEG1 O'Neal, LLC has three Texas locations - Weatherford, Fredericksburg and Temple.

The new distribution center is located in the business park, with 30-plus additional acres and retail/office sites on BB Fielder Road and office/warehouse sites on Patriot Drive. EDGE Realty Partners of Dallas is the broker/agent of record for the business park.

To make a reservation and RSVP for the Weatherford Corporate Center Broker Mixer and Business Park Tour, contact Dennis Clayton, Director of Economic Development, at dclayton@weatherfordtx.gov or 817-598-4302.
